

## BTEC Level 3 Health and Social Care

### Unit 2: Working in Health and Social Care

Exam Walkthrough | Paper 31491H | Session: June 2019

#### How to answer every question · step by step

##### Command words · what the examiner wants

Identify / State (2 marks) · Give TWO brief, correct points. No explanation needed · just name or state two relevant things. 1 mark per point.

Describe (4 marks) · Give TWO points, each with a little detail. Two developed points = 4 marks (2 marks each).

Explain (6 marks) · Give THREE points, each explained (a point + a reason or effect). Three developed points = 6 marks (2 marks each).

Discuss (8 marks) · Give a BALANCED argument: several developed points PLUS a 'however' counterpoint. Four developed points = 8 marks (2 marks each).

#### Question 1 (a)

**The NHS (National Health Service) hospital services are provided by the public sector. State the other two sectors providing health and social care services. (2)**

##### Command word: State

How to approach: Recall the three sectors of provision: public, private, and voluntary/third. The public sector is given, so state the other two.

##### Model answer:

- Private sector.
- Voluntary / third sector.

Why it earns the marks: One mark per correct sector. Naming the private and voluntary/third sectors earns the full 2 marks.

---

#### Question 1 (b)

**Describe two ways an advocate could support Jason. (4)**

##### Command word: Describe

How to approach: An advocate speaks on someone's behalf. Think of two ways · representing his views, and providing information/supporting his decisions.

##### Model answer:

- Speaking on Jason's behalf and representing his views and wishes.
- Providing information and supporting Jason to make his own decisions.

Why it earns the marks: Two marks per way: one for the action, one for the detail. Link each way to supporting Jason's voice and choices.

---

#### Question 1 (c)

**Explain the responsibilities of a healthcare assistant who cares for Jason. (6)**

##### Command word: Explain

How to approach: Think of three responsibilities · providing personal care, following the care plan/reporting, and maintaining dignity/confidentiality.

##### Model answer:

- Providing personal care that meets Jason's individual needs.
- Following Jason's care plan and reporting any concerns.
- Maintaining Jason's dignity and confidentiality at all times.

Why it earns the marks: Three developed points, 2 marks each. Each point states a responsibility and its purpose in Jason's care.

---

### Question 1 (d)

**Discuss barriers that could affect Jason's ongoing care. (8)**

**Command word: Discuss**

How to approach: Give three barriers (financial, geographical, communication), then a 'however' about how they can be addressed.

**Model answer:**

- Financial barriers · the cost of care, travel or treatment.
- Geographical barriers · distance or lack of transport to services.
- Communication barriers · difficulty understanding or expressing needs.
- However, these barriers can be addressed through advocacy, support and reasonable adjustments.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (barriers can be addressed) provides the balance a Discuss needs.

---

### Question 2 (a)

**State two health and social care professionals who could support Nicky's communication issues. (2)**

**Command word: State**

How to approach: Nicky has communication issues. Think of two professionals who specialise in communication · speech and language therapist, communication support worker.

**Model answer:**

- Speech and language therapist / communication support worker (any two).

Why it earns the marks: One mark per correct professional. Two valid roles earn the full 2 marks.

---

### Question 2 (b)

**Describe two anti-discriminatory responsibilities that health and social care workers have in their work with Nicky. (4)**

**Command word: Describe**

How to approach: Think of two anti-discriminatory duties · treating fairly regardless of characteristics, and making reasonable adjustments/challenging discrimination.

**Model answer:**

- Treating Nicky fairly regardless of her disability or other characteristics.
- Making reasonable adjustments and challenging any discrimination.

Why it earns the marks: Two marks per responsibility: one for the duty, one for the detail. Link each to anti-discriminatory practice.

---

### Question 2 (c)

**Explain how Nicky is kept safe when she is at the day centre. (6)**

**Command word: Explain**

How to approach: Think of three safety measures · risk assessments, safeguarding procedures, and trained/supervised staff.

**Model answer:**

- Carrying out risk assessments to identify and reduce hazards.
- Following safeguarding procedures to protect Nicky from harm.
- Ensuring staff are trained and Nicky is appropriately supervised.

Why it earns the marks: Three developed points, 2 marks each. Each point states a measure and how it keeps Nicky safe.

---

## Question 2 (d)

**Discuss how the multidisciplinary team (MDT) working with Nicky could empower her. (8)**

**Command word: Discuss**

How to approach: Give three ways the MDT empowers Nicky (holistic support, involving her in decisions, shared expertise), then a 'however' about coordination challenges.

**Model answer:**

- Providing holistic, coordinated support that considers all of Nicky's needs.
- Involving Nicky in decisions about her care and respecting her choices.
- Sharing expertise so each aspect of Nicky's support is addressed by a specialist.
- However, coordination between professionals can be challenging and must be managed through clear communication.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (coordination challenges) provides the balance a Discuss needs.

---

## Question 3 (a)

**State two ways organisations could represent the interests of service users like Juan. (2)**

**Command word: State**

How to approach: Think of two ways organisations represent service users · advocacy, feedback/complaints procedures, service user involvement.

**Model answer:**

- Advocacy / feedback and complaints procedures / service user involvement (any two).

Why it earns the marks: One mark per correct way. Two valid ways earn the full 2 marks.

---

## Question 3 (b)

**Describe two responsibilities of an occupational therapist supporting Juan. (4)**

**Command word: Describe**

How to approach: An OT helps with daily living. Think of two responsibilities · assessing needs/providing equipment, and supporting independence/rehabilitation.

**Model answer:**

- Assessing Juan's needs and providing equipment and adaptations.
- Supporting Juan's independence and rehabilitation.

Why it earns the marks: Two marks per responsibility: one for the duty, one for the detail. Link each to supporting Juan's daily living.

---

## Question 3 (c)

**Explain how services are improved by inspection. (6)**

**Command word: Explain**

How to approach: Think of three ways inspection improves services · identifying areas for improvement, setting standards/accountability, and driving action plans.

**Model answer:**

- Inspection identifies areas for improvement and good practice.
- It sets standards and holds services accountable.
- It drives action plans and improvements in the quality of care.

Why it earns the marks: Three developed points, 2 marks each. Each point states how inspection leads to improvement.

---

### Question 3 (d)

**Discuss how Rose's employer can make sure she is kept safe when she is at work. (8)**

**Command word: Discuss**

How to approach: Give three safety measures (risk assessments, training/PPE, lone-working procedures), then a 'however' about Rose's own role.

**Model answer:**

- Carrying out risk assessments and implementing safe working practices.
- Providing training and appropriate personal protective equipment (PPE).
- Following lone-working procedures where relevant.
- However, safety also depends on Rose following procedures and reporting concerns.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (Rose's own responsibility) provides the balance a Discuss needs.

---

### Question 4 (a)

**State two work-related skills required by a healthcare assistant. (2)**

**Command word: State**

How to approach: Simple recall of skills · communication, teamwork, organisation.

**Model answer:**

- Communication / teamwork / organisation (any two).

Why it earns the marks: One mark per correct skill. Two valid skills earn the full 2 marks.

---

### Question 4 (b)

**Describe the role of the midwife and the social worker who supported Josie's mother when she was pregnant. (4)**

**Command word: Describe**

How to approach: Describe BOTH roles · the midwife (antenatal care/delivery) and the social worker (assessing needs/safeguarding).

**Model answer:**

- Midwife · provides antenatal care, monitoring and support during pregnancy and delivery.
- Social worker · assesses needs, provides support and safeguards the family.

Why it earns the marks: Two marks per role: one for naming the role's function, one for the detail. You must cover BOTH professionals.

---

### Question 4 (c)

**Explain how staff working practices could affect the children on the ward. (6)**

**Command word: Explain**

How to approach: Think of three ways staff practices affect children · positive practices promote safety, poor practices cause harm, and consistency creates a safe environment.

**Model answer:**

- Positive working practices promote the safety and wellbeing of children.
- Poor practices can put children at risk of harm.
- Consistency and professionalism in staff behaviour create a safe, reassuring environment.

Why it earns the marks: Three developed points, 2 marks each. Each point links staff practice to its effect on children.

---

#### Question 4 (d)

**Discuss how the hospital staff can ensure information relating to Josie remains confidential. (8)**

**Command word: Discuss**

How to approach: Give three confidentiality measures (data protection/secure storage, need-to-know sharing, staff training), then a 'however' about lawful sharing for safeguarding.

**Model answer:**

- Following data protection legislation and storing records securely.
- Sharing information only on a need-to-know basis.
- Providing staff training on confidentiality.
- However, information may need to be shared for safeguarding purposes, which must be done lawfully.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (lawful sharing for safeguarding) provides the balance a Discuss needs.

---
