

BTEC Level 3 Health and Social Care

Unit 2: Working in Health and Social Care

Exam Walkthrough | Paper 31491H | Session: June 2024

How to answer every question · step by step

Command words · what the examiner wants

Identify / State (2 marks) · Give TWO brief, correct points. No explanation needed · just name or state two relevant things. 1 mark per point.

Describe (4 marks) · Give TWO points, each with a little detail. Two developed points = 4 marks (2 marks each).

Explain (6 marks) · Give THREE points, each explained (a point + a reason or effect). Three developed points = 6 marks (2 marks each).

Discuss (8 marks) · Give a BALANCED argument: several developed points PLUS a 'however' counterpoint. Four developed points = 8 marks (2 marks each).

Question 1 (a)

Identify two healthcare professionals that would be able to support Raymond. (2)

Command word: Identify

How to approach: Raymond is receiving domiciliary (home) care. Think of two professionals who support someone at home · district nurse, physiotherapist, occupational therapist, GP.

Model answer:

- District nurse / physiotherapist / occupational therapist / GP (any two).

Why it earns the marks: One mark per correct professional. Two valid roles earn the full 2 marks.

Question 1 (b)

Describe two ways domiciliary care staff can ensure Raymond's safety whilst living at his home. (4)

Command word: Describe

How to approach: Think of two safety measures in the home · risk assessment, and safe moving/handling with equipment.

Model answer:

- Carrying out a risk assessment of the home environment.
- Using safe moving and handling techniques and appropriate equipment.

Why it earns the marks: Two marks per way: one for the measure, one for the detail. Link each to keeping Raymond safe at home.

Question 1 (c)

Explain the responsibilities of the staff who are caring for Raymond. (6)

Command word: Explain

How to approach: Think of three responsibilities · providing care that meets needs, following the care plan/reporting, and maintaining dignity/confidentiality.

Model answer:

- Providing care that meets Raymond's individual needs.
- Following Raymond's care plan and reporting any concerns.
- Maintaining Raymond's dignity and confidentiality.

Why it earns the marks: Three developed points, 2 marks each. Each point states a responsibility and its purpose in Raymond's care.

Question 1 (d)

Discuss how the domiciliary care manager can ensure that Raymond receives the highest quality care. (8)

Command word: Discuss

How to approach: Give three ways a manager ensures quality (recruit/train staff, monitor/supervise, implement policies/CQC compliance), then a 'however' about resource pressures.

Model answer:

- Recruiting and training high-quality staff.
- Monitoring and supervising staff, and acting on feedback.
- Implementing policies and standards and complying with CQC requirements.
- However, quality depends on resources and staffing levels, which can be challenging to maintain.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (resource/staffing pressures) provides the balance a Discuss needs.

Question 2 (a)

Identify two professionals, other than a hydrotherapist, that may be in Tariq's multidisciplinary team. (2)

Command word: Identify

How to approach: Tariq has a physical condition. Think of two MDT members · physiotherapist, occupational therapist, social worker, GP.

Model answer:

- Physiotherapist / occupational therapist / social worker / GP (any two).

Why it earns the marks: One mark per correct professional. Two valid roles earn the full 2 marks.

Question 2 (b)

Describe how staff supporting Tariq could empower him whilst providing care. (4)

Command word: Describe

How to approach: Think of two ways to empower · involving him in decisions/respecting choices, and promoting independence/confidence.

Model answer:

- Involving Tariq in decisions and respecting his choices.
- Promoting Tariq's independence and building his confidence.

Why it earns the marks: Two marks per way: one for the action, one for the detail. Link each to empowering Tariq.

Question 2 (c)

Explain the importance of completing risk assessments when supporting Tariq to study business at his local college. (6)

Command word: Explain

How to approach: Think of three reasons risk assessments matter · identify/reduce hazards, enable safe participation, and meet legal requirements.

Model answer:

- To identify hazards and reduce risks to Tariq and others.
- To enable Tariq to participate safely in his studies.
- To meet legal requirements and protect both Tariq and staff.

Why it earns the marks: Three developed points, 2 marks each. Each point states a reason and its importance in Tariq's college setting.

Question 2 (d)

Discuss the benefits of using a multidisciplinary approach to develop plans when supporting Tariq to achieve his goals. (8)

Command word: Discuss

How to approach: Give three benefits (holistic support, shared expertise, better outcomes), then a 'however' about coordination challenges.

Model answer:

- A multidisciplinary approach provides holistic, coordinated support.
- It brings together shared expertise from different professionals.
- It leads to better outcomes as each aspect of Tariq's goals is addressed.
- However, coordination between professionals can be challenging and must be managed.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (coordination challenges) provides the balance a Discuss needs.

Question 3 (a)

Identify two skills or qualities you would need whilst working with Ida. (2)

Command word: Identify

How to approach: Ida is an older service user. Think of two skills/qualities · patience, empathy, communication.

Model answer:

- Patience / empathy / communication (any two).

Why it earns the marks: One mark per correct skill/quality. Two valid answers earn the full 2 marks.

Question 3 (b)

Describe two ways you could maintain Ida's independence whilst providing care. (4)

Command word: Describe

How to approach: Think of two ways to maintain independence · encouraging her to do things herself, and providing aids/adaptations.

Model answer:

- Encouraging Ida to do as much for herself as possible.
- Providing aids and adaptations to support independence.

Why it earns the marks: Two marks per way: one for the action, one for the detail. Link each to maintaining independence.

Question 3 (c)

Explain the ways that you can promote anti-discriminatory practice when providing care to Ida. (6)

Command word: Explain

How to approach: Think of three ways · treating fairly regardless of age/disability, challenging discrimination, and person-centred care.

Model answer:

- Treating Ida fairly regardless of her age or disability.
- Challenging any discriminatory attitudes or behaviour.
- Providing person-centred care that respects Ida's individual needs.

Why it earns the marks: Three developed points, 2 marks each. Each point states an action and how it promotes anti-discriminatory practice.

Question 3 (d)

Discuss how the inspection process could improve the service. (8)

Command word: Discuss

How to approach: Give three ways inspection improves the service (identifies strengths/weaknesses, drives improvement/accountability, reassures users), then a 'however' about its stress.

Model answer:

- Inspection identifies strengths and areas for improvement.
- It drives improvements and holds the service accountable.
- It reassures service users and their families about quality.
- However, inspection can be stressful and resource-intensive for the service.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (stress/resource demands) provides the balance a Discuss needs.

Question 4 (a)

Identify two pieces of equipment that can improve Ismail's independence. (2)

Command word: Identify

How to approach: Think of two pieces of assistive equipment · mobility aids, grab rails, adapted utensils.

Model answer:

- Mobility aids / grab rails / adapted utensils (any two).

Why it earns the marks: One mark per correct piece of equipment. Two valid items earn the full 2 marks.

Question 4 (b)

Describe two ways that staff could promote Ismail's choices whilst providing care. (4)

Command word: Describe

How to approach: Think of two ways to promote choice · offering choices/involving in decisions, and respecting preferences.

Model answer:

- Offering Ismail choices and involving him in decisions.
- Respecting Ismail's preferences and wishes.

Why it earns the marks: Two marks per way: one for the action, one for the detail. Link each to promoting choice.

Question 4 (c)

Explain how staff could deal with conflict if Ismail becomes frustrated. (6)

Command word: Explain

How to approach: Think of three conflict-resolution steps · stay calm/listen, use de-escalation, and address the cause/involve others.

Model answer:

- Staying calm and listening to Ismail's concerns.
- Using de-escalation techniques to reduce frustration.
- Addressing the underlying cause and involving others if needed.

Why it earns the marks: Three developed points, 2 marks each. Each point states a step and how it resolves the conflict.

Question 4 (d)

Discuss what staff should do if they find that a hazardous chemical has been spilled in the supported living accommodation. (8)

Command word: Discuss

How to approach: Give three actions (secure area/raise alarm, follow COSHH/report, use PPE/clean up), then a 'however' about not putting themselves at risk.

Model answer:

- Securing the area and raising the alarm to protect others.
- Following COSHH procedures and reporting the spill.
- Using appropriate PPE and cleaning up the spill safely.
- However, staff must follow their training and not put themselves at risk.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (do not put yourself at risk) is the balanced, correct safety response.
