

BTEC Level 3 Health and Social Care

Unit 2: Working in Health and Social Care

Exam Walkthrough | Paper 31491H | Session: June 2025

How to answer every question · step by step

Command words · what the examiner wants

Identify / State (2 marks) · Give TWO brief, correct points. No explanation needed · just name or state two relevant things. 1 mark per point.

Describe (4 marks) · Give TWO points, each with a little detail. Two developed points = 4 marks (2 marks each).

Explain (6 marks) · Give THREE points, each explained (a point + a reason or effect). Three developed points = 6 marks (2 marks each).

Discuss (8 marks) · Give a BALANCED argument: several developed points PLUS a 'however' counterpoint. Four developed points = 8 marks (2 marks each).

Question 1 (a)

Identify two roles of the doctor at the GP surgery providing care to Rowan. (2)

Command word: Identify

How to approach: Think of two roles of a GP/doctor · diagnosing, prescribing treatment, referring to specialists.

Model answer:

- Diagnosing Rowan's condition / prescribing treatment / referring to specialists (any two).

Why it earns the marks: One mark per correct role. Two valid roles earn the full 2 marks.

Question 1 (b)

Describe two organisational policies that staff at the GP surgery will follow to keep their patients safe. (4)

Command word: Describe

How to approach: Name two policies (health and safety, safeguarding/infection control) and describe how each keeps patients safe.

Model answer:

- Health and safety policy · protects patients from hazards and accidents.
- Safeguarding / infection control policy · protects patients from harm and infection.

Why it earns the marks: Two marks per policy: one for naming it, one for describing how it protects patients.

Question 1 (c)

Explain the responsibilities staff at the GP surgery have when managing Rowan's personal information. (6)

Command word: Explain

How to approach: Think of three data responsibilities · confidentiality/data protection, secure storage/need-to-know, and consent/accuracy.

Model answer:

- Maintaining confidentiality and following data protection legislation.
- Storing records securely and sharing only on a need-to-know basis.
- Obtaining consent and keeping records accurate and up to date.

Why it earns the marks: Three developed points, 2 marks each. Each point states a responsibility and its purpose in managing information.

Question 1 (d)

Discuss the importance of person-centred care when developing Rowan's care plan. (8)

Command word: Discuss

How to approach: Give three reasons person-centred care matters (meets individual needs, promotes dignity/choice, better outcomes), then a 'however' about its demands.

Model answer:

- Person-centred care meets Rowan's individual needs and preferences.
- It promotes Rowan's dignity, choice and independence.
- It leads to better outcomes and greater engagement with care.
- However, it requires time, resources and genuine commitment from staff to be effective.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (time/resource demands) provides the balance a Discuss needs.

Question 2 (a)

Identify two ways the support workers can promote Kalpesh's rights. (2)

Command word: Identify

How to approach: Think of two ways to promote rights · respecting dignity, choice, privacy.

Model answer:

- Respecting Kalpesh's dignity / choice / privacy (any two).

Why it earns the marks: One mark per correct way. Two valid ways earn the full 2 marks.

Question 2 (b)

Describe two ways the support workers are monitored by a line manager. (4)

Command word: Describe

How to approach: Think of two monitoring methods · supervision/appraisal, and observation/feedback.

Model answer:

- Through supervision and appraisal.
- Through observation and feedback on their work.

Why it earns the marks: Two marks per method: one for the method, one for the detail. Link each to monitoring the workers.

Question 2 (c)

Explain how staff at the children's residential care home can deal with conflict that might arise between the young residents. (6)

Command word: Explain

How to approach: Think of three conflict-resolution steps · stay calm/mediate, listen to both sides, and set boundaries/involve others.

Model answer:

- Staying calm and mediating between the young residents.
- Listening to both sides and helping them find a resolution.
- Setting clear boundaries and involving others if the conflict escalates.

Why it earns the marks: Three developed points, 2 marks each. Each point states a step and how it resolves conflict.

Question 2 (d)

Discuss the advantages for Kalpesh of receiving support from a youth worker. (8)

Command word: Discuss

How to approach: Give three advantages (specialist support/advocacy, trust/role model, access to activities), then a 'however' about dependence on relationship/resources.

Model answer:

- A youth worker provides specialist support and advocacy for Kalpesh.
- They build trust and act as a positive role model.
- They provide access to activities and opportunities for development.
- However, the benefits depend on the quality of the relationship and available resources.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (dependence on

Question 3 (a)

Identify two ways you can maintain Scott's dignity when providing care to him. (2)

Command word: Identify

How to approach: Think of two ways to maintain dignity · ensuring privacy, showing respect, offering choice.

Model answer:

- Ensuring privacy / showing respect / offering choice (any two).

Why it earns the marks: One mark per correct way. Two valid ways earn the full 2 marks.

Question 3 (b)

Describe two roles of the occupational therapist in helping Scott adjust to his disability. (4)

Command word: Describe

How to approach: Think of two OT roles · assessing needs/providing equipment, and supporting rehabilitation/independence.

Model answer:

- Assessing Scott's needs and providing equipment and adaptations.
- Supporting Scott's rehabilitation and independence.

Why it earns the marks: Two marks per role: one for the role, one for the detail. Link each to helping Scott adjust.

Question 3 (c)

Explain how the occupational therapist and care assistant can work as part of a multi-disciplinary team to support Scott's rehabilitation. (6)

Command word: Explain

How to approach: Think of three ways they work as an MDT · sharing information/coordinating, using complementary roles, and working towards shared goals.

Model answer:

- Sharing information and coordinating care between professionals.
- Using complementary roles to address different aspects of Scott's rehabilitation.
- Working towards shared goals through regular communication.

Why it earns the marks: Three developed points, 2 marks each. Each point states how the MDT works together for Scott's rehabilitation.

Question 3 (d)

Discuss the importance of the health and social care professionals that are involved in Scott's care having continuing professional development (CPD). (8)

Command word: Discuss

How to approach: Give three reasons CPD matters (keeps skills current, improves care quality, meets registration), then a 'however' about its demands.

Model answer:

- CPD keeps professionals' skills and knowledge up to date.
- It improves the quality of care provided to Scott.
- It helps professionals meet registration and revalidation requirements.
- However, CPD requires time and cost, and needs employer support to be effective.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (time/cost demands) provides the balance a Discuss needs.

Question 4 (a)

Identify two advantages of attending a support group for Alaya's mum. (2)

Command word: Identify

How to approach: Think of two advantages · peer support, shared experience, information/advice.

Model answer:

- Peer support / shared experience / information and advice (any two).

Why it earns the marks: One mark per correct advantage. Two valid advantages earn the full 2 marks.

Question 4 (b)

Describe two responsibilities of a social worker when providing support to the family, other than referral to support groups. (4)

Command word: Describe

How to approach: Think of two social worker duties · assessing needs/developing a care plan, and safeguarding/advocating.

Model answer:

- Assessing the family's needs and developing a care plan.
- Safeguarding the family and advocating on their behalf.

Why it earns the marks: Two marks per responsibility: one for the duty, one for the detail. Note the question excludes referral to support groups.

Question 4 (c)

Explain how the social worker can demonstrate anti-discriminatory practice when providing support to the family. (6)

Command word: Explain

How to approach: Think of three ways · treating fairly regardless of characteristics, challenging discrimination, and culturally sensitive care.

Model answer:

- Treating the family fairly regardless of their characteristics.
- Challenging any discrimination the family may face.
- Providing person-centred, culturally sensitive support.

Why it earns the marks: Three developed points, 2 marks each. Each point states an action and how it demonstrates anti-discriminatory practice.

Question 4 (d)

Discuss barriers that may prevent Alaya's mum accessing health and social care services. (8)

Command word: Discuss

How to approach: Give three barriers (language/communication, cultural, financial/geographical), then a 'however' about how they can be reduced.

Model answer:

- Language and communication barriers may prevent access.
- Cultural barriers may make services feel inaccessible or inappropriate.
- Financial and geographical barriers may limit access to services.
- However, these barriers can be reduced through support, advocacy and reasonable adjustments.

Why it earns the marks: Four developed points at 2 marks each. The 'however' point (barriers can be reduced) provides the balance a Discuss needs.
